Our vision is to create a beautiful world by
instilling love and care through children.

OUR STORY

Welcome to Fun Home, where play is the name of the game! We believe in the power of play in early childhood education. Our environment encourages exploration, creativity, and hands-on learning. Through play, children develop motor and language skills while expressing themselves creatively. We also prioritise social development and emotional regulation. Our teachers act as facilitators, guiding and supporting children as they explore and create independently. At Fun Home, learning and play go hand in hand, creating a fun, meaningful, and engaging experience. Join us and experience the magic of play-based education!

Materials:

- HEI Story: *Harper the Hamster*
- Photos of different planets
- Black paper for painting
- ...

Objectives for children:

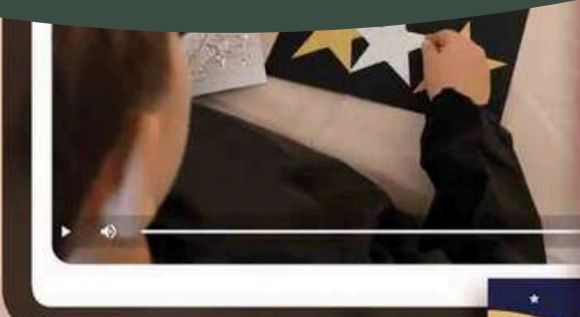

Get familiar with space and planets
Observe images
Explore colors
Practice painting from a model

Objectives for teachers:

Help children to orient toward the theme
Support children in practicing different painting techniques
Support the development of children's fine motor skills
Support the development of children's hand-eye coordination

Activity flow:

1. Gather the children around you to listen to the story.
2. Read the story and present the pictures. Make sure to name the planets and go through the questions at the end of the story.

Will my child be ready to enter primary school, and will he/she be able to adapt and complete his/her studies after attending Fun Home Kindergarten?

At Fun Home, we follow the guidelines set by JKM and MOE, using resources aligned with the Kurikulum Standard Prasekolah Kebangsaan (KSPK). This ensures your child has a smooth transition from kindergarten to Chinese primary school.

Fun Fact:

90% of our graduates have gone on to Chinese primary schools, while 10% chose to enter international schools.
